Total Credit Hours

Notes

All students must have at least 120 hours to graduate. Students who took MATH 099 or ENGL 099 will need at least 124 hours to graduate. Full Bridge students will need at least 128 hours.

A major in Aeronautics- Aviation Maintenance Management consists of 33 hours and does not require a minor. If a student chooses a minor, they may not choose Aeronautics.

This degree plan assumes the student has ENGL 111/121 transfer credit from the AS degree.
